Craft: Type writer. Print a keyboard on half of a 8x10 paper. For a minute, wrap around a pencil so it will have an arch. Put paper on desk for children to type on.

Game: Put numbers on the ground. Call out a number for the kids to run to.

Idea: Teach kids to play with what is available. If they only had paper, what could they do? Relays, table football, catch, magic, draw, paper and pencil games.
