

Line up

Draw a line to match the left foot to the right foot. Find and circle the ones that are not a person's foot.

Craft: Trace shoes, cut out and decorate. Add string for shoelaces. Label left/right. Can use for game below.

Game: Line up the kid's shoes, left shoes on the left side of the room and right on the right side. Call out a side for kids to relay to put their shoes back on.

Idea: Practice lining up for different activities with sign only. Review your guidelines of dos and don'ts.
