A note from the author:

I love sign language! I believe in the many benefits it has to offer. You must too since you bought this book. Let's get started one word at a time. This book series is designed with the tools you need for a successful learning experience that is both educational and fun.

I'd love to hear from you. We want to highlight your child any chance we can. Send us feedback (on our contact page), ideas, and upload a photo or video of your child/class learning new signs @
