

Right

Learn to use scissors the “right” way with these activities.

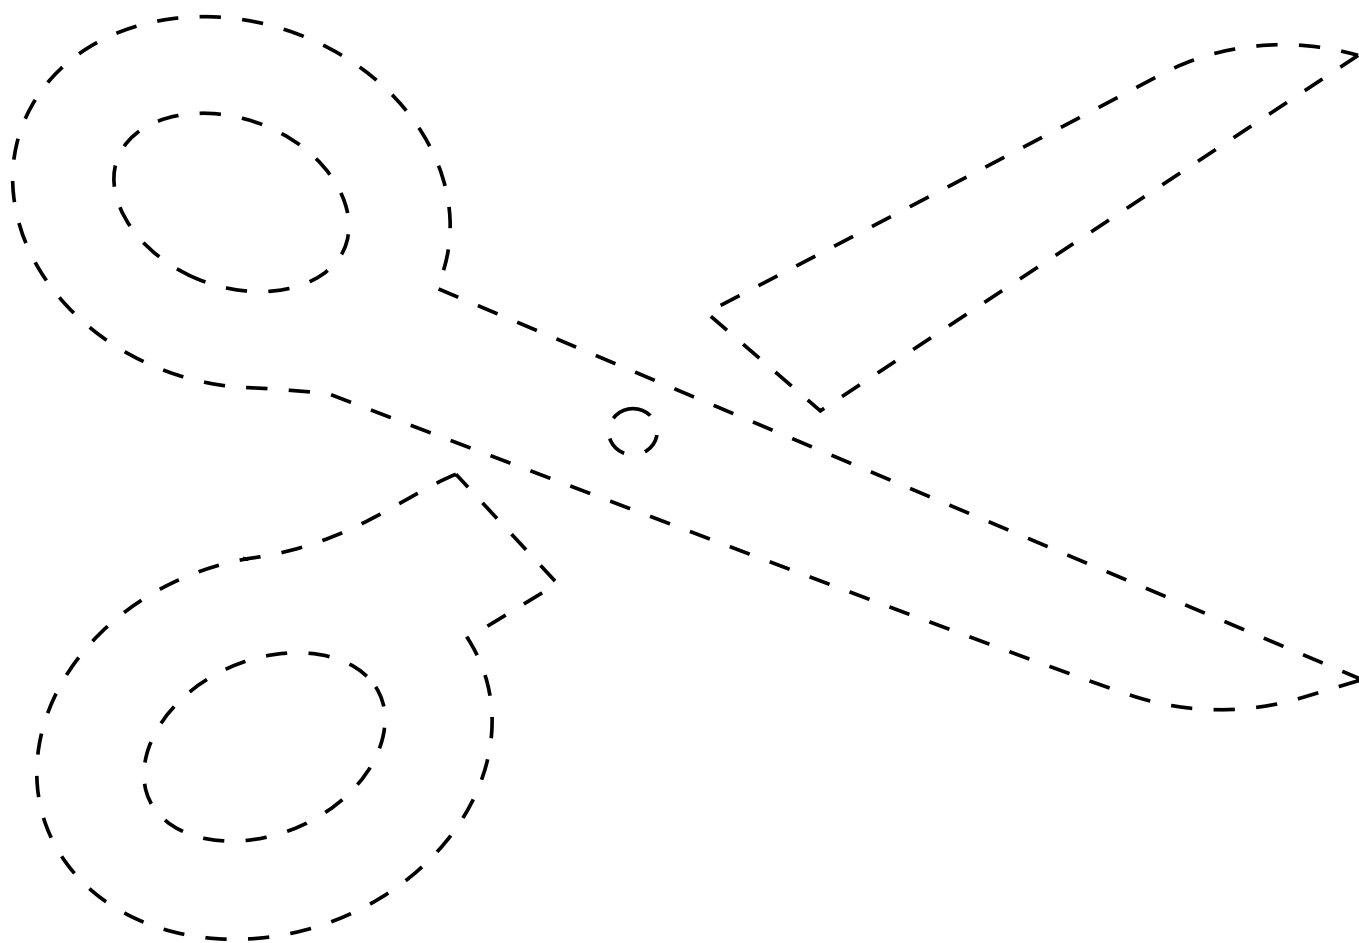

Craft: Paper plate hair cut. Draw a face on plate, then tape on yarn for hair. Cut “hair” with scissors.

Game: Teach scissor safety before this game. Have children in a circle and carefully pass scissors to the right using safety skills.

Idea: Take time to review safety with scissors: pass with handle towards other person, and closed, turn paper to cut, instead of turning the scissors, etc.

Cut out the scissors and glue the pieces on construction paper to create a person. The handle could be the head, the other parts the legs.
