 - *If students do not have a printed version, direct them to use a sheet of paper to complete the activities.*
 - *Some work may require caregiver assistance.*
1. **I Know My Address.** Students need to know their address. This life skill should be done privately to avoid sharing personal information. Follow instructions on the worksheets.
 2. **Guess How Many.** See instructions on the worksheet. This will help students to notice their surrounding.
 3. **Find the missing object.** Gather object around your home that can be a pair (pencil/eraser, shoes/socks, bowl/spoon, cup/water). Hold up one object for kids to find in their home in 30-60 sec. Everyone comes back to share. For younger kids, show both objects so they know what to look for.
 4. **My favorite room activity.**
