Counting Bookmark

This sign language bookmark is a great way to learn/reinforce numbers 1-10. Download and print these to help your children learn the numbers in a fun way. Use in your classroom for group and individual practice or as a take home practice.

This counting bookmark set includes 2 varieties: Number Signs 1-10 and Holiday Themed Counting 1-10. Each variety includes 4 bookmarks per page for easier printing

There are two sides to this bookmark, you may use them as a "front and back" or make two separate bookmarks.

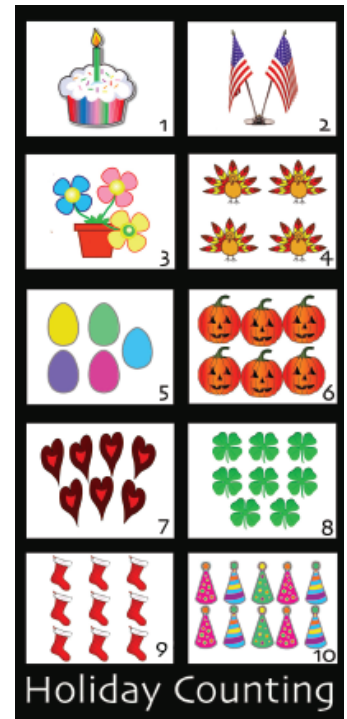

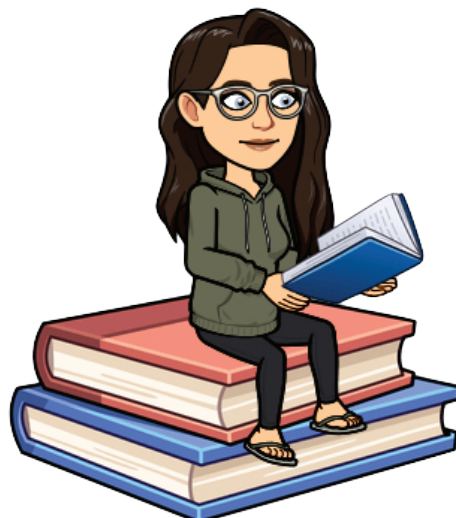

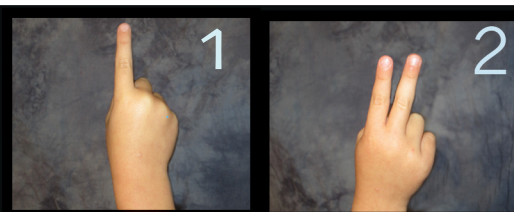

Directions: Print on cardstock paper and laminate for longer endurance (you can use packing tape in place of laminator). Print the bookmarks as two-sided, so that there is an image on both sides. Alternatively, you can print the bookmarks on separate sheets, adhere the sheets together and then cut to size.
