Sight Words Flipbook

2 Ways to Use Your Sight Words for Special Education

1. Single Use ~ print and staple

This version can be used for student self-study, in class work, or sent home as homework or parent/student practice.

Materials needed: paper, printer, staple, scissors.

- Print out the Pre-Primer Sight Words - ASL.
- Use the black/white version for coloring engagement (and to save ink).
- Cut out cards and arrange in numerical order to create a flipbook.
- Staple the flipbook together.
- It's ready to use!

2. Multiple Use ~ laminate it

This version is reusable. Keep in the classroom or send home for extra practice.

Materials needed: Laminator, cardstock, 1" binder rings, scissors, hole puncher.

- Print cardstock, laminate, and cut out cards..
- Hole punch the upper left corner of each card.
- Arrange sight word cards in numerical order to create a reusable flipbook.
- Grab the ring and thread it through the flipbook.
- It is ready to use!

How to Use Google Slides™

If you haven't created a free Google account, you will need to do that before implementing the use of this digital resource. In addition, each student will need their own Google account if they will be working in this digital resource.

First step: Save a copy of the file on your own Google Drive. You can edit your new copy to accommodate your student's needs. **You do not want to edit the original file.**

Here's what it will look like:

When you click on the link to open the file, you will automatically be directed to copy the file. Click "Make a Copy" and this will save the file to your Google Drive.

After copying the file to your Google Drive, you will be able to open it and access the file.

Don't forget to change the name of the file in the upper left hand corner.

To make a copy for each of your students:

1. Go to FILE>MAKE A COPY>ENTIRE PRESENTATION
2. Save to your preferred location.
3. Assign to students via Google Classroom by selecting the file within Classroom or by sharing the link.

For your students to be able to type, move objects, etc., they will need to be in the slide mode (not in VIEW).

Good Job!

the

ASLTeachingResources.com

This card features a blue background with a black border. At the top, there is a small circle on the left and the number '22' on the right. In the center, the words 'Good Job!' are written in large, white, bold letters. Below this, on the left, is an illustration of a young girl with dark skin and curly hair, wearing a pink shirt, with her hand near her mouth. An arrow points from her hand towards the right. On the right, there is an illustration of a woman with dark skin and long hair, wearing an orange shirt, with her hands in a specific ASL position. Below her is the word 'the' in a large, black, lowercase font. At the bottom left, the website 'ASLTeachingResources.com' is written in a small, black font.

This card has a blue background with a black border. At the top, the text 'Pre-cut to use with card 3.' is written in a black, handwritten-style font. Below this text is a table with three rows and four columns. Each cell in the table contains a large, black letter: the first row has four 't's, the second row has four 'h's, and the third row has four 'e's'. The letters are designed to be pre-cut for use with another card.
