Halloween Bingo

English- Fingerspell or sign the words.

Fingerspelling- Say, sign, or fingerspelling the words.

What You'll Need:

- Bingo Cards
- Pumpkin Token Sheets
- Scissors
- Storage for Bingo pieces

Assembly:

- Print bingo cards on cardstock
- Cut out the pumpkin tokens
- Optional: laminate to prolong card life

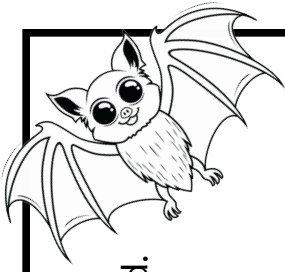

Directions: Provide each student with a bingo card and tokens. Call out a word, sign, or fingerspell from the calling card. Students that have the matching word can cover the square with a token. Once a student has four squares in a row covered (horizontally, vertically or diagonally) they may call out "BINGO". The first student to reach Bingo wins. Continue to play for second and third place or start over. NOTE: Each set in the series has 12 cards. Each card number matches across the series so you can mix up the series for a variety of fun.

Fun Tips: Play Bingo with different winning patterns pictured below. Play with real candy hearts that the students can eat after they BINGO. Mix and use cards from the two different sets (English or fingerspelling). Use the editable cards to make your own.

Directions:

Use your Bingo Caller's Card to call the bingo and keep track of which words you have already called. Print two copies of the caller's card. Cut one copy up, fold the squares in half, and put them in a hat. To call the bingo, pull a square out of the hat, unfold it and read it out. When you have called a word/number, tick it off on the second copy of the caller's card. You can use the second copy of the caller's card to check if a player has a winning card during a game.
